

PEOPLE'S LIGHT PRESENTS...

SLEEPING BEAUTY

A MUSICAL PANTO

RELAXED PERFORMANCE PRE-VISIT STORIES

People's Light

I am going to People's Light to see the show
Sleeping Beauty: A Musical Panto.

The show includes actors playing animals, and
actors singing and playing musical instruments.

Sleeping Beauty

This Sleeping Beauty show is a little different than the original story.

This Sleeping Beauty show has a rock and roll music theme.

actors in aisle

Sometimes, the actors will appear from the audience aisles.

The actors will walk into the aisles to talk and sing.

The actors may talk to me when they are in the aisles.

Mama C

Mama C walks on stage wearing a big pink dress.
She will play the drums. The drums may be loud.

shack

The King, Mama C, and Princess Aurora live in a shack to hide from Chanteuse.

The shack belongs to the Ogre but the Ogre lives in the King's home.

Ogre

On Princess Aurora's 16th birthday, the Ogre returns to reclaim her shack as agreed upon with the King 16 years ago.

The Ogre returns to the shack too early!

Moon and Star

The Moon and Star fall out of the sky.
They are trying to get back to the sky.
Princess Aurora is trying to help them
return to the sky.

Princess Aurora

Princess Aurora is celebrating her 16th birthday.

If Princess Aurora celebrates her 16th birthday without having the spell cast on her, then the spell will be broken.

Princess Aurora does not know about the spell.

singing

The actors will invite you to sing with them during the show.

You can sing if you want to.

bright light

Sometimes, a bright light will shine for a little bit from the back of the theater during the show.

“Oh, no it isn’t”

The actors will invite you to talk back during the show.

You can say “Oh no it isn’t!” or “Oh yes it is!”

intermission

Halfway through the show there is an intermission.

The intermission gives you time to stretch your body, go to the bathroom, or take a break.

The lights in the lobby will flicker to let you know to return to your seat to watch the rest of the show.

Sun

When the Sun sings a song, the actors may invite you to come onto the stage to sing and dance with them.

sleeping

Sleeping Beauty is sleeping because she touched the record player needle.

candy

The actors will walk into the aisles to give candy to some people in the audience.

I might be sitting where the actor is handing out candy.

I can raise my hand to let the actor know I want some candy.

Not everyone in the audience will get candy.

The candy is gluten-free.

Aunt Tikki

Aunt Tikki is a secret agent who was in disguise.
She wears two costumes in the play.
She was keeping watch over Princess Aurora.

end of play

When the play is over, the actors will take a bow.

People will clap to thank the actors.

I can clap if I want to. The clapping only happens for a short time.

If the clapping is too loud, I can cover my ears.
